Applications:

- FHP 6244 drop in replacement for LTP 251
- Cash Register
- ATM Machine
- Gas pumps
- Ticket printers
- Kiosks

Benefits:

- FHP 6244 is 100% electrical and mechanical compatible with LTP 251.
- Footprint is same as FHP 6248/MS8/HS8. Easy and cost effective upgrade to higher resolution and printing speed.
- High speed and long life
- Graphics quality resolution
- Footprint is same as across series, therefore easy and cost effective upgrade to higher printing speed.
